Dear Mehta Sahab,

Thanks for sending me a book titled "Putting Consumers First" edited by noted political economist, Mr. Sanjay Baru. Consumer Unity and Trust Society (CUTS) was established in 1983-84 as a Rural Development Communication initiative currently at the cutting edge of the consumer movement in India as well as across the Globe.

CUTS has done a commendable job with research on a variety of issues in the realm of governance, regulation and trade and for driving the Consumer Welfare Agenda throughout the world.

I want to congratulate you that under your leadership sixth overseas centre in Washington DC has been started in April 2018, thus making CUTS International the first ever Indian think tank to have its presence in US.

I wish all success in your future endeavours.

With regards,

Yours sincerely,

(NAVEEN JINDAL)
