Dear Dr. Pradeep Mehta,

Heartiest Congratulation!

I am delighted to receive a copy of the Festschrift Volume "Putting Consumers First" brought out in your honour.

The present publication is a befitting acknowledgement of your rich contribution in the policymaking both at the national and international level, particularly in multilateral forum, such as WTO, that has motivated several CSOs in India. It is with your leadership the CUTS has emerged as a vibrant voice at WTO Public Forum. Intricacies of negotiations have been well captured by you in your writings and public posturing.

The galaxy of dignitaries and experts that has contributed to the book further proves the highest regard and esteem that both national and international community has for your hard work and valuable inputs that have immensely enriched the policy dialogue.

Wishing you many more such laurels,

With best regards,

Warm regards

Yours sincerely,

Sachin Chaturvedi
