Dear Mr. Mehta,

I wish to express my deep appreciation for your participation at the Ninth United Nations Conference to Review all Aspects of the Set of Multilaterally Agreed Equitable Principles and Rules for the Control of Restrictive Business Practices, held in Geneva, Switzerland, from 7 to 11 July 2025. The Conference was a success and I am particularly delighted that competition and consumer protection policies remain at the forefront of the global agenda under the leadership of UNCTAD.

I would also like to congratulate you for your intervention as a speaker in the session on “Protecting and empowering consumers in the circular economy” which explored the distinct challenges and opportunities in consumer protection policies to support the transition to a circular economy.

I am particularly appreciative of your decisive support for the work of UNCTAD and I look forward to our continued cooperation strengthening competition and consumer protection policies around the world.

Yours sincerely,

Teresa Moreira
