Dear Mr. Mehta,

I wish to express my deep appreciation for your participation at the twenty-first session of the UNCTAD Intergovernmental Group of Experts (IGE) on Competition Law and Policy, held in Geneva, Switzerland, from 5 to 7 July 2023. The meeting was a success, and I am particularly delighted that UNCTAD remains at the forefront in the implementation of competition law and policy for the achievement of the 2030 Agenda for Sustainable Development.

I would also like to congratulate you on your intervention as speaker in the session on the Interaction between Competition and Industrial Policies which revisited the interaction of these policies, reflecting recent changes in the economy and identified the importance of enhanced cooperation between competition and industrial authorities.

I am particularly appreciative of your decisive support for the work of UNCTAD and I look forward to our continued cooperation strengthening competition policies around the world.

Yours sincerely,
